#### **3 Matters Arising**

**Mike Perkins.** The Chairman happily reported that Mike Perkins, following a heart bypass operation, was now much better.

#### **4 Treasurer's Report**

The Treasurer presented the Club Accounts for the year ending 30 June 2009, together with the financial position as at 12th April 2010. It was proposed by Jack Harris, seconded by John Timperley and carried unanimously that the accounts be adopted.

#### **5 Chairman's Report**

The Chairman thanked our President, Philip Ayton, for his continued help and involvement with Club affairs. Other points covered:

- a) **Membership.** This now stands at a healthy 570 with a record 23 new members joining since the last AGM. All members were urged to inform the Hon. Secretary of changes to their address, telephone numbers or e mail address to ensure the Handbook is always as up to date as possible.
- b) **Friendly Matches.** These were very important as they include players of all standards and were a cornerstone of the Club's objectives. The number of matches had however declined over the last few years and members present were urged to try and arrange a match for the following season.
- c) **Tours.** The Chairman reported on a most enjoyable long weekend in York as reported in the Spring Newsletter. He also advised that a tour to France (volcanic ash permitting!) being hosted by Roger Morrell in Cap d'Agde was going ahead on 23<sup>rd</sup> to 26<sup>th</sup> April and was being organized by Lance Kinder.

- d) **Newsletters.** Nigel Belle was thanked for his informative Newsletters, the latest one indicating that many members do very well on the National and International scene. It also showed that many Masters Tournaments are being organized, which was encouraging – they are well run and great fun.
- e) **The Club Tournament.** Geoff Howes was thanked for his excellent running and organizing of this years finals weekend at Broxbourne. The loud applause from those members present indicated complete agreement with the Chairman.
- f) **The Committee.** The Chairman formally wished to record his thanks to all members for the amount of time, effort and goodwill that they give so willingly in support of our Club. It was very much appreciated.
- g) **Gordon Coulthard, Hon. Treasurer.** The Chairman advised that after some 14 years, Gordon had decided to call it a day. With the help of his wife Jan, and by his own hard work, the Chairman paid tribute to Gordon for managing the Club's finances very carefully and for ensuring a healthy balance now which includes a modest reserve in case of need. The Club were extremely grateful to them both for the great deal of effort they have put in over the last 14 years. The Chairman was delighted to report that David Garrett had been kind enough to offer his services and take over as Treasurer after production of the year end accounts to 30<sup>th</sup> June 2010.

#### 6 Election of Officers.

The President advised that apart from David Garrett taking over from Gordon Coulthard as Treasurer all other Committee members were prepared to stand for re-election. There being no further nominations Tom Hendry proposed, Brian Sayer seconded and it was carried that all be elected for the coming year.

#### 7 Any other business.

- a) **50<sup>th</sup> Anniversary.** The Chairman stated that it was the Committee's intention to hold a special celebratory dinner similar to the one held at the RAC Epsom for the 40<sup>th</sup> and 45<sup>th</sup>. Robert Smith asked whether there were any plans to produce an updated Anniversary Book or an addendum to the 40<sup>th</sup>. Following input from Tom Hendry, Stuart Hardy and others it was agreed that a completely new book was preferable. The Committee to consider options over the coming months.
- b) **Doubles scoring.** Brian Sayer stated that he felt games to 15 were preferable to games to 11. Following much discussion the matter was referred to the Committee for further debate and a decision for next years finals.
- c) **Strokes in Doubles.** There was a strong feeling, mainly led by Howard Cherlin, that strokes should be imposed more rigorously for deliberate baulking or interference. Following contributions from Gordon Ross, Tony McStravick, John Timperley, John Garrett and others it was agreed that strokes should be awarded at future finals. Details of this decision and the new rules to be reiterated at the start of the 2010/11 Club Championships.
- d) **South Africa – Inter Provincials.** Robert Smith asked whether the GB Vets Club would be participating in these in the future. The Chairman and Stuart Hardy stated that the South Africans would be more than happy to have us but it was more a question of i) fitting it into the now very full squash calendar and ii) finding someone to run/organize it.
